**Attachments:** Oath\_declaration signed pdf

Hello gentleman,

As a follow-on to our most recent emails back and forth, I have now received the signed declaration from Mr. Capocelli (thank-you) but I am still waiting for the signed document from Mr. Paparo.

Also, as Mr. Capocelli has said, Mr. Phillips is no longer with ST and we will need to try to locate him. As such, Mr. Capocelli and Ms. Rodriguez have already indicated that they do not know any contact information for him. Does anybody else have any contact information, such as last known email address or phone number? Basically, we will need to try to find him and contact him. If we can show that we made an effort to locate him, but were unsuccessful, then we can sign an affidavit (signed by us as your attorneys) stating that the inventor is unavailable. With that, even if you do not have any last known contact information, please respond by saying as much.

To recap:

1. Waiting for signed document from Mr. Paparo
2. Requesting a response from Mr. Paparo and Mr. Holmes about any knowledge (or lack thereof) of Mr. Phillips last known contact information.
3. Preferably accomplish tasks 1 and 2 within the week

Best regards,

*Kevin D. Jablonski*

Dear Sirs,

My name is Kevin Jablonski and I am a patent attorney with Graybeal Jackson in Bellevue, WA. I am emailing you with a request for signature of the attached document. As you may or may not know, this particular patent was opened for reissue so that we could have an opportunity to clarify the actual claims in the patent. We have successfully presented our position and now the final step in this reissue examination process is to submit a signed oath/declaration by the inventors detailing some information about the reasons why we chose to enter into the reissue examination in the first place.

As such, please sign the attached document in the appropriate places shown. Then, once each of you has signed, please fax/email a copy of the document as well as send the original to us at the address below.

Also, please note that I do not have contact information for Mr. Phillips. Do either of you have any contact information for him? We will need to try to find him for his signature, but in the event that we simply cannot find him, there are other steps that we can take to get around this. If that is the case, please just sign yourselves and forward the incomplete document to me.

Best regards,

*Kevin D. Jablonski*
